

GOVERNMENT POLYTECHNIC BERLA

PLACEMENT BROCHURE

2019 - 20

MESSAGE FROM PRINCIPAL :

Government polytechnic college has emerged as a hub for academic excellence in engineering training. The college contributes to quality education in all major disciplines of diploma in that to meet the needs of industry for trained technical manpower with practical experience and theoretical knowledge.

In order to keep pace with the rapidly changing technological scenario, continuously and tirelessly strives to take a leading role in developing its infrastructure labs, curriculum etc. to provide state of the art technical education to students.

Development and sustainability of the industrial sector are dependent on the availability of trained and skilled manpower to perform multidimensional activities needed to keep the wheels of industry running.

Our college offers a variety of skill development courses, with an emphasis on basic to advanced engineering techniques and tools, and project based learning under the guidance of experienced mentors. We believe that students of our college would not only excel across several dimensions, like knowledge domain, skills, communication and basic human values, but they would also combine these with priceless qualities of mind and heart.

The Training and Placement cell works tirelessly towards ensuring employment for all students across various industries and helping budding entrepreneurs in establishing successful businesses. The department organizes activities and workshops at a regular basis to enable students to be effective team leaders and players.

I wish them all the very best in all of their endeavors and promise to be associated with them in achieving & fulfilling their academic pursuits throughout their stay at the campus and even after.

Past-recruiters :
